## 4) A&M PREMIUM Warranty

---

All our equipment is inspected with the Harvester-Guard (R) inspection software. This certificate declares that this forage harvester has A&M PREMIUM warranty on:

1. All inspected CROP-FLOW components with a 3, 4 or 5 star rating.
2. All CROP-FLOW bearings which have status approved.

### Warranty on repairs:

Components with 1 or 2 star rating are subject for repair and have no warranty. In case A&M Machinery is ordered to repair the 1 and 2 stars components then warranty is in place, as repair implies upgrade to 5 stars or status approved.

Eventually repairs are reported in the "A&M PREMIUM or A&M EXCLUSIVE warranty certificate & terms" document.

This warranty is subject to the terms and conditions of the Metaalunie. These terms are free downloadable on our website: [www.ammachinery.eu](http://www.ammachinery.eu). In the event of conflicts between the terms & conditions of the Metaalunie and our warranty terms, the terms & conditions of the Metaalunie prevail.
