#### Technological solutions for forage harvesters

NIR analysis	System configuration	Where applicable	Value for customer
<b>EvoNIR</b> • Kal Connection Hub • Virtual Terminal • Field trace 2020		Installation on forage harvesters with Virtual Terminal	<ul style="list-style-type: none"> <li>• Real time ingredient analysis</li> <li>• Standard ISOBUS connection</li> <li>• High speed data exchange</li> <li>• Real time nutrient concentration mapping on Virtual Terminals (with Task Controller)</li> <li>• Reports available in the Field trace software</li> </ul>
<b>EvoNIR</b> • Kal Connection Hub • Field track app • Field trace 2020		Installation on forage harvesters w/o Virtual Terminal	<ul style="list-style-type: none"> <li>• Real time ingredient analysis</li> <li>• Real time nutrient concentration mapping on Field track app</li> <li>• Reports available in the Field track mobile app</li> </ul>
<b>EvoNIR</b> • Kal Connection Hub • Field track app • Virtual Terminal • Field trace 2020		Installation on forage harvesters with Virtual Terminal (w/o task controller)	<ul style="list-style-type: none"> <li>• Real time ingredient analysis</li> <li>• Real time nutrient concentration mapping on Field track app</li> <li>• Reports available in the Field track mobile app and on Field trace software</li> </ul>

## 4) A&M PREMIUM Warranty

All our equipment is inspected with the Harvester-Guard (R) inspection software. This certificate declares that this forage harvester has A&M PREMIUM warranty on:

1. All inspected CROP-FLOW components with a 3, 4 or 5 star rating.
2. All CROP-FLOW bearings which have status approved.

**Warranty on repairs:**

Components with 1 or 2 star rating are subject for repair and have no warranty. In case A&M Machinery is ordered to repair the 1 and 2 stars components then warranty is in place, as repair implies upgrade to 5 stars or status approved.

Eventually repairs are reported in the 'A&M PREMIUM or A&M EXCLUSIVE warranty certificate & terms' document.
