Options

2) Short Description

A&M Machinery is THE independent specialist in used self-propelled forage harvesters and related attachments, for our worldwide customers, by providing OEM knowledge and service. This is supported by providing equipment health checks, service, repair, parts, upgrades, diagnostic software and knowledge transfer. Visit www.ammachinery.nl for more detailed information.

3) Product Images

4) A&M PREMIUM Warranty

All our equipment is inspected with the Harvester-Guard (R) inspection software. This certificate declares that this forage harvester has A&M PREMIUM warranty on:

1. All inspected CROP-FLOW components with a 3, 4 or 5 star rating.
2. All CROP-FLOW bearings which have status approved.

Warranty on repairs:

Components with 1 or 2 star rating are subject for repair and have no warranty. In case A&M Machinery is ordered to repair the 1 and 2 stars components then warranty is in place, as repair implies upgrade to 5 stars or status approved.

Eventually repairs are reported in the 'A&M PREMIUM or A&M EXCLUSIVE warranty certificate & terms' document.
