2) Short Description

For Sale: Efficiently distribute corn evenly with the Holaras Knife 430-H-115-K. This innovative solution makes it possible to distribute incoming maize quickly and very efficiently, so that waiting silage wagons and tippers are a thing of the past. The Holaras Knife 430-H-115-K has been designed with an eye for quality and durability. The blade is made of high-quality material and can be easily operated using the hydraulic control.
